Dear Mr. Wilson:

Re: Reclamation Bond, M/015/030, Emery County, Utah

The Miller Group Insurance Company has requested, again, that we ask you to obtain a replacement bond for the Sinbad site. The current bond is for the amount of \$16,225.00 and would not change.

We suggest that you replace the bond via an insurance company licensed in Utah or use some other form of surety. Any form of surety different than a surety bond will require Board approval.

Please call if you have any questions.

Sincerely,

Holland Shepherd  
Reclamation Specialist

*Holland - what is going to  
happen w/ this - the bond  
needs to be re-evaluated - it is

Re: The Mined Lands Reclamation Act, Bond No. 7933479  
Penal Sum \$ 16225.00

Dear Sirs:

We filed the attached Reclamation Bond on October 20, 1982. Since that time our Company, The Millers Mutual Fire Insurance Co. of Texas, has withdrawn from the State of Utah. This is the only business that we have remaining in your state.

We request that you ask the Principal on the Bond, William L. Wilson & Associates, to furnish you with a replacement bond from an insurance company that is currently licensed in your state, or set up an escrow account as an alternative to the bond. Please advise.

Sincerely,

  
Randy J. Barron
